Carrier Notification
SN91082752

Date: December 4, 2001

To: Competitive Local Exchange Carriers (CLECs)

Subject: CLECs – Update of the BellSouth Business Rules for Local Ordering (BBR-LO),
               Issue 9S

This is to advise that BBR-LO, Issue 9S, is scheduled to be posted to the BellSouth
Interconnection Services' Web site on Wednesday, December 5, 2001. This BBR-LO update
will affect documentation as well as manual and electronic order processing that may impact
CLEC operations and will be effective upon implementation of Release 10.3 scheduled for
January 5, 2002.

The BBR-LO is now separated into two books. The first book will include General Local
Ordering Information and the R/C/O Tables. The second book will include Data Element
Dictionary and Appendices (Appendix A & B). The Purpose and Introduction Sections will be
duplicated. The Revision/History section will now only encompass the changes associated with
the book being revised.

Please refer to the attachment to this letter for changes scheduled for Issue 9S:

A summary of all changes within this document will be listed in the **Revision History Section**.
This update can be found at the BellSouth Interconnection Services' Web site in the Customer
Guides Section at:
