Subject: CLECs – (Billing/OSS) – **REVISED** - Billing Initiative for Cancelled Sup 01 Local Service Requests (LSR) **and Reconciliation Billing for Cancelled Sup 01 LSRs** (Originally posted on October 14, 2004)

This is to advise that effective November 16, 2004, BellSouth will implement billing of Operations Support Systems (OSS) charges for cancelled Sup 01 Local Service Requests (LSR). The charges will be listed in the Other Charges and Credits (OC&C) portion of your company's BellSouth bill, and will be identified as "One time charge for mechanized (or non mechanized) OSS Cancelled LSR."

Pursuant to customer specific Interconnection Agreements, BellSouth will bill either the electronic or manual service order charge for the cancellation, whichever is appropriate, irrespective of the subsequent activity associated with the LSR.

In addition, BellSouth will reconcile OSS billing that was not previously billed for cancelled Sup 01 LSRs. This billing covers a time period from November 1, 2002, through November 16, 2004, pursuant to each CLEC's Interconnection Agreement and applicable statute of limitations.

The charges will be seen on your December 2004 bill and will appear in the Other Charges and Credits (OC&C) portion of your company's BellSouth bill. Further, BellSouth will provide the underlying data supporting BellSouth's reconciliation of the charges upon request. You may submit your questions and request to the following e-mail address:
