Date: March 25, 2005

To: Wireless Service Providers (WSP)

Subject: WSPs – (Billing and OSS) - Wireless Local Number Portability (WLNP) - Operations
                  Support System (OSS) Service Order Charges

On May 6, 2003, BellSouth posted a notice on its Wireless Interconnection Services Web site under the
title, "What is New," regarding a mandate for WLNP. This notice also provided the ordering process
and procedures for WLNP orders. The Wireless Web site is located at:

http://www.interconnection.bellsouth.com/products/wireless/wlnp/index.html

On March 1, 2005, BellSouth updated the Wireless Interconnection Services Web site under "FAQs"
and "WLNP Overview" sections. In addition, a new section "Rates, Terms and Conditions" was added
on March 24, 2005. Both of these updates are to provide further clarification of manual and electronic
service order charges for processing Local Service Requests (LSRs) submitted to BellSouth.

This is to advise that on April 27, 2005, for Wireless Local Number Portability, BellSouth will begin
billing of the Operations Support System (OSS) electronic or manual service order charges as
described below:

- Service order charges shall apply to LSRs submitted to BellSouth.

- BellSouth shall bill an electronic (SOMEC) service order charge at the rate of $3.50 for each
  LSR submitted via Electronic Data Interchange (EDI), Local Exchange Navigation System
  (LENS) or Telecommunications Access Gateway (TAG).

- BellSouth shall bill a manual (SOMAN) service order charge at the rate of $19.99 for each LSR
  submitted by means other than the electronic interfaces (e.g., mail, fax, courier, etc.).

- An individual LSR shall be identified by its Purchase Order Number (PON) for billing purposes.

If you have any questions, please contact your BellSouth account team representative.
