Date: June 9, 2005

To: Compleitive Local Exchange Carriers (CLEC)

Subject: CLECs – (Product/Service) – Introducing Bulk Migration Single Local Service Request (LSR)/Bulk Arrangement, CLEC Information Package, Version 1

This is to announce that the new ***Bulk Migration Single LSR/Bulk Arrangement CLEC Information Package, Version 1*** will be available on June 10, 2005. This package will include new capabilities for submitting Bulk Migration orders in a single LSR process. The new process will allow the CLEC to electronically submit Bulk Migration orders to migrate Unbundled Network Element-Platform (UNE-P)/DS0 Wholesale Local Platform services or Resale services to a UNE-Loop (UNE-L) or to an Enhanced Extended Link (EEL) UNE in a single LSR format.

The new capabilities will be available with Release 19.0 that is currently scheduled for July 10, 2005.

The existing UNE-P to UNE-L Bulk Migration process will remain in effect until further notice. Furthermore, effective July 10, 2005, the 'Manual Migration to Channelized Transport' process will no longer be available and will be replaced with the new Single LSR/Bulk Arrangement process. The *Manual Migration to Channelized Transport CLEC Information Package* will be removed from the BellSouth Interconnection Services Web site on July 10, 2005.

The new ***Bulk Migration Single LSR/Bulk Arrangement CLEC Information Package, Version 1***, will be posted to the BellSouth interconnection Services Web Site at the following address:
