These new versions will be posted to the BellSouth Interconnection Services Web site on the indicated Web Posting Dates. LEO-IG Volume 2 will include documentation updates/changes and any necessary release-related changes that have been identified since implementation of the Release as indicated in the Release column. LEO-IG Volume 2 documentations involving Release-Related changes only are indicated in the above table. If there are no Release-Related changes, a Release-Related LEO-IG Volume 2 document will still be web posted, indicating "no Release-Related changes" in the Revision History table.
