Carrier Notification
SN91086036

Date: February 24, 2006

To: Facility-based Competitive Local Exchange Carriers (CLEC)

Subject: Facility-based CLECs – (Product/Service and Billing) – **REVISION to SN91086012** -
Introducing Unbundled Network Element-Platform to Resale Batch Service
Re-Configuration CLEC Information Package, Version 1, for Complex Products

This is to advise that **Carrier Notification letter SN91086012**, originally posted on January 26, 2006, has been revised to announce that, effective immediately, BellSouth will waive the non-recurring charges (other than appropriate Operational Support System (OSS) charge) for CLECs that submit spreadsheets pursuant to the use of the Unbundled Network Element-Platform (UNE-P) to Resale Batch Service Re-Configuration process for Complex Products by March 10, 2006. CLECs must have a resale Q account established with BellSouth in order to qualify for this offer.

Please refer to the revised letter for additional details.

Sincerely,
