**Carrier Notification  
SN91086070**

Date: April 3, 2006

To: Facility-based Competitive Local Exchange Carriers (CLEC)

Subject: Facility-based CLECs – (Product/Service and Billing) – Update to the Unbundled Network Element-Platform to Resale Batch Service Re-Configuration CLEC Information Package, Version 1, for Non-Complex Residence and Non-Complex Business

This is to advise that, effective immediately, BellSouth has updated the Unbundled Network Element-Platform to Resale Batch Service Re-Configuration CLEC Information Package from Version 1 to Version 2. The update was necessary to modify Section 9 for the Batch Service Re-Configuration Eligible Services. In addition, the Primary and Secondary Spreadsheets that are embedded within this package have been updated to include an Effective Bill Date (EBD) field that will be completed by a BellSouth local project manager.

Version 2 of this CLEC Information Package may be found on the BellSouth Interconnection Services Web site at:
