Subject: CLECs – (Documentation/Guides) - Implementation of Local Service Ordering Guide Version 10 Ordering Forms

This is to advise that, effective on July 8 and 9, 2006, with the implementation of ENCORE Release 22.0, BellSouth will implement the following Local Service Ordering Guide (LSOG) Version 10 ordering forms:

- Direct Inward Dialing (DID)/PBX/Direct Outward Dialing (DOD)
- Directory Listing (DL)
- Local Service Request (LSR)
- Loop Service (LS)
- End User (EU)
- Number Portability (NP)
- Loop Service with Number Portability (LSNP)
- Resale Private Line (RPL)
- Port Service (PS)
- Hunt Group Information
- Resale Service (RS)

BellSouth is making this change as a result of the LSOG10/EDI Local Mechanization Specifications 10 (ELMS10) enhancements that participating CLECs requested via the Change Control Process (CCP) in Change Request (CR) No. 2191. In addition, implementing the LSOG Version 10 ordering forms will position BellSouth to be in concert with the latest industry guidelines. The LSOG 10 ordering forms will be similar in format and functionality as the current LSOG6 forms, which can be found on the BellSouth Interconnection Services Web site at:

http://interconnection.bellsouth.com/tools_forms_and_reports/forms/webforms/lsog6/index.html

The Local Ordering Handbook (LOH) for LSOG10/ELMS10 was posted on March 24, 2006. In order to afford your company adequate time to transition, the timeline for conversion to these new ordering forms is as follows:

- July 10, 2006 - Implement the designated LSOG Version 10 ordering forms
- July 10, 2006 - November 20, 2006 - A four-month grace period to transition from LSOG Version 6 forms for manual ordering
- November 20, 2006 - Retire LSOG Version 6 forms for manual ordering

On November 21, 2006, a complete transition to the designated Ordering and Billing Forum (OBF) Version 10 ordering forms will be effective. As of November 21, 2006, CLECs must submit all manual orders on the Version 10 ordering forms, or the service request will be rejected.

Please contact your BellSouth local support manager with any questions.

Sincerely,
