BellSouth continues to listen to its Payphone Service Provider (PSP) customers in order to provide improvements to its Non-CLUB billing format. The PSP customer will see enhancements to the layout and content of your bill. Some sections of the bill have been reworded for ease of understanding, while other sections have been grouped so that information can be found at-a-glance. It is BellSouth's desire that its PSP customers find the enhancements more straightforward and much easier to read.

The enhancements will be effective on or after the October 19, 2006 bill period in Louisiana, North Carolina and South Carolina. In addition, the enhancements will be effective on or after the November 1, 2006 bill period in Alabama, Florida, Georgia, Kentucky, Mississippi and Tennessee.

Thank you for being a BellSouth customer. BellSouth appreciates your business.
