These new versions will be posted to the BellSouth Interconnection Services Web site ("Web site") as indicated in the Web Post Date column of this table. LEO-IG Volume 2 updates/changes will include documentation defects and any necessary release-related changes that have been identified since implementation of that Release as indicated in the Release column. LEO-IG Volume 2 documentations involving release-related changes only are also indicated in the above table. If there are no release-related changes, a Release-Related LEO-IG Volume 2 document will still be posted to the Web site indicating "no Release-Related changes" in the Revision History table

The LEO-IG will be posted in accordance with the Web Post Date shown in table and can be found at the BellSouth Interconnection Services Web site in the Customer Guides-Products/Services at:
