Subject: Exchange Access Frame Relay NNI Installation Promotion

BellSouth filed a tariff with the Federal Communications Commission that is scheduled to become effective on February 17, 1998, for the waiver of installation charges on Exchange Access Frame Relay Network-Network Interface ports ordered with a term commitment of at least 25 months. This is a limited time promotional offer for NNI ports ordered between February 17, 1998, and May 15, 1998, for installation by June 15, 1998.
