**Carrier Notification
SN91081451**

Date: June 29, 2001

To: Competitive Local Exchange Carriers (CLECs)

Subject: CLECs - **REVISED** - Listing of Petition for Waiver Filings Due to Space Exhaustion for Physical Collocation in a Central Office (Latest revision released June 7, 2001).

This is to advise that the name of the Listing of Petition for Waiver Filings Due to Space Exhaustion for Physical Collocation in a Central Office has been changed to BellSouth Space Exhaust Locations. As other central offices are identified or if space becomes available in central offices that are on the report, the BellSouth Space Exhaust Locations Report will be updated.

All information pertaining to space exhaustion in BellSouth Central Offices that was previously provided in the Attachment to Carrier Notification Letter SN91081451 will now be provided via the BellSouth Space Exhaust Locations Report that can be found on the BellSouth Interconnection Services' Web site in the Reports Section under Space Exhaust Locations – Latest Update at:

Offices in Bold red are currently out of space for Physical Collocation

Note 1: The NCUC has requested that BellSouth withhold the filing of waiver petitions until Docket No. P-100, Sub 133j is concluded.

Customers wishing to be placed on the waiting list for space within a central office listed may do so by:

- a) Submitting an application, or
- b) Submitting a written request that includes the projected space/rack requirements, cross-connect capacity (DS0, DS1, DS3, and fiber optic) and projected DC power requirements (in amps).
