Date: January 11, 2001

To: All BellSouth Interconnection Services Collocation Customers

Subject: All Collocation Customers - One-time Fees for Applications and Bona Fide Firm Orders for Central Office Physical Collocation

On July 24, 2000 Carrier Notification Letter SN91081862 introduced a trial of a new approach for handling one-time fees associated with Applications and Firm Orders for Central Office Physical Collocation. In this trial BellSouth did not require that telecommunications carriers submit fees at the same time Applications or Firm Orders for Central Office Physical Collocation are submitted. Effective with the date of this letter, BellSouth will adopt this procedure until further notice.

BellSouth will bill the one-time fee for Applications for Central Office Physical Collocation upon BellSouth's response that the requested space is available. The charges will appear on the CLEC's bill.

For Bona Fide Firm Orders, BellSouth will bill the applicable one-time fees upon receipt of the Bona Fide Firm Orders. The charges will also appear on the CLEC's bill.

The adoption of this policy does not represent a waiver of any contractual right to bill these charges pursuant to any effective contract.

If you have any questions, please call your BellSouth account team collocation coordinator.

Sincerely,
