Subject: PSPs, IXCs, ICOs, CLECs – Louisiana Expanded Local Calling (Area Codes
504/985) - New Orleans

Effective March 5, 2001, calls made over BellSouth facilities between New Orleans, Kenner, Delacroix, Jesuit Bend, Lafitte, Lake Catherine, St. Bernard, Yscloskey, Paradis, Norco, LaPlace, Luling and Edgard will become toll free, due to action taken by the Louisiana Public Service Commission.

Once the local calling areas for these communities are expanded, BellSouth customers with flat-rate service, including Resale and Pay Telephone Access Service (PTAS), will no longer be charged toll or usage charges for calls between these locations. Effective March 5, 2001, traditional flat-rate calls between communities listed above that are **in the same area code** must be dialed on a seven-digit basis; local calls between communities that are **in different area codes** must be dialed on a ten-digit basis (area code + seven-digit number).

The following chart lists the first three digits (NXXs) of the telephone numbers included in your community for BellSouth customers. Once the New Orleans local calling area is expanded on March 5, 2001, calls between the following communities will be toll free for calls made over BellSouth facilities with flat-rate service: New Orleans, Kenner, Delacroix, Edgard, Jesuit Bend, Lafitte, Lake Catherine, LaPlace, Luling, Norco, Paradis, St. Bernard and Yscloskey. Communities in the new 985 area code are indicated by an asterisk (*); all other communities remain in the 504 area code.
