**Carrier Notification****SN91082209**

Date: February 1, 2001

To: Interexchange Carriers (IXCs) and Competitive Local Exchange Carriers (CLECs)

Subject: IXCs, CLECs - Wholesale National Directory Assistance (NDA)

Effective July 31, 2000, Wholesale NDA became available for IXCs and CLECs. By aggregating its traffic to sites specified by BellSouth, an IXC or CLEC can take advantage of competitive Volume and Term pricing by means of a contract. Also available with NDA are the Branding, Introductory Message and Release Link Trunking Features. Recurring and non-recurring charges apply for the NDA service and all noted features. The implementation cycle will be 60-to-90 calendar days from the order date.

Billing for Wholesale NDA usage will be manually entered and will appear in the Other Charges and Credits (OC&C) section of the customer bill until mechanized billing is established. Upon the mechanization of the billing process, customers will see the billing for Wholesale NDA usage in the Usage section of their bill. All customers with mechanized billing will need to make the appropriate changes to their systems as necessary.

This service offering will require a contract. Please contact your BellSouth negotiator for the appropriate contract language.

For additional information, please contact your BellSouth account team representative.

Sincerely,
