Subject: CLECs – **REVISION TO SN91082180** Fleming Island Wholesale Operations Center  
To Handle Resale Atlanta Calls

Carrier Notification letter SN91082180, originally released on February 1, 2001, announced the opening of the Fleming Island Wholesale Operations Center in Florida, which includes a Local Carrier Service Center (LCSC) and a Customer Wholesale Interconnection Network Service (CWINS) Center. The new LCSC began operations on January 15, 2001, as an LCSC call center, handling Resale calls from the Birmingham LCSC.

This revision is to announce that, beginning February 19, 2001, all Resale calls placed to the Atlanta LCSC will be routed to Fleming Island.

Please review the updated letter for complete details.

Sincerely,
