Subject: All Interconnection Services' Customers - **REVISION to SN91081680** - Carrier Identification Code (CIC) Changes for Non-Facility Based Interexchange Carriers (IXCs)

Carrier Notification letter SN91081680, originally released on March 9, 2000, reaffirmed the ordering requirements addressed in Carrier Notification Letter SN91080591 released on December 14, 1993. This is to modify BellSouth's previously defined ordering requirements for CIC disconnects when a facility based IXC is transporting other non-facility based IXC's traffic across its Feature Group D (FGD) trunk group.

For the latest information please review the revised letter.

Sincerely,
