
BellSouth Interconnection Services

675 West Peachtree Street
Atlanta, Georgia 30375

Carrier Notification**SN91082243**

Date: February 27, 2001

To: All BellSouth Interconnection Services Customers

Subject: All BellSouth Interconnection Services Customers - Louisiana 504/985 Area Code Split - Automatic Number Identification (ANI) Conversion Schedule

With the introduction of the new 985 area code (**Network Notification Letter SN91082037 released December 28, 2000**) in Southeast Louisiana, ANI conversions are scheduled for BellSouth switches located in the areas receiving the new area code. ANI conversions will begin on April 5, 2001 and conclude on July 5, 2001. Please refer to the attached schedule for a list of the BellSouth switches located in Louisiana.

All work will begin at approximately 6:00 PM CDT on Thursday (see attached schedule for specific dates) and will be completed by 12:00 Noon CDT on Friday.

The remote central office of Luling Boutte will convert to the new 985 area code. The host office for Luling Boutte is New Orleans Avondale. The New Orleans Avondale switch office is located in the New Orleans exchange and will retain the 504 area code.

Some Integrated Services Digital Network (ISDN) customers will be required to change their Service Profile Identifier (SPID) numbers in their ISDN equipment in association with the upcoming ANI conversions. An instructional letter will be mailed to the affected customers before the ANI conversion date.

Please contact your BellSouth customer service center or Regina Cox at (504) 248-7684 should you have any questions.

Sincerely,

ORIGINAL SIGNED BY JIM BRINKLEY

Jim Brinkley – Senior Director
BellSouth Interconnection Services
