**Carrier Notification
SN91082412**

Date: June 7, 2001

To: Competitive Local Exchange Carriers (CLECs)

Subject: CLECS – **REVISION TO SN91082187**: Flexible Call Forwarding Service no Longer Available – Alternative Services for Flexible Call Forwarding (Originally posted January 24, 2001 and revised on May 4, 2001)

In Carrier Notification letter SN91082187, originally posted on January 24, 2001 and revised on May 4, 2001, CLECs were advised to begin notifying their customers that they must select an alternative service for Flexible Call Forwarding by a specified date. Should your customers fail to select an alternative service by the appropriate date, BellSouth will remove Flexible Call Forwarding from their account.

BellSouth has revised the effective dates for submitting Local Service Requests (LSRs) and the Removal Start Date. Also, Florida has been combined into one area instead of three separate areas.

Please review the revised letter for details.

Sincerely,
