**Carrier Notification****SN91082462**

Date: January 30, 2002

To: Competitive Local Exchange Carriers (CLECs)

Subject: CLECs – **REVISED**: Temporary Waiver of Certain Manual Loop Makeup (LMU) Charges to CLECs **Rescinded** (Originally posted on June 20, 2001)

**This is to advise CLECs that a solution has been determined to correct periodic mismatches that previously occurred between the BellSouth Regional Street Address Guide (RSAG) and the BellSouth Loop Facilities Assignment and Control System (LFACS) databases when a CLEC submitted a mechanized Loop Makeup (LMU) request for certain service locations. The address mismatch was captured in a “Neighborhood Report” that was returned instead of the requested LMU Information.**

**The result of this occurrence required the requesting CLEC to submit its request manually. Manual LMU charges for this type of error were temporarily waived by the June 20, 2001 Carrier Notification Letter.**

**A correction for this mismatch of address between the affected systems went into effect with Release 10.3 on January 5, 2002. *Effective immediately*, BellSouth will no longer offer a waiver of Manual LMU charges due to the receipt from a CLEC of a Neighborhood Report along with the submission of the Manual LMU Service Inquiry form. The submission of such a report should no longer be necessary.**

Please contact your BellSouth Local Contract Manager with any questions.

Sincerely,
