Subject: CLECs - BellSouth Billing of Charges for Cancellation of Unbundled Network Elements (UNE) Orders.

This is to advise of the following changes in the BellSouth billing procedure:

**CANCELLATIONS:** Effective July 22, 2001, BellSouth will begin billing CLECs for canceling orders for UNEs. These charges will apply as follows:

- A CLEC cancels an order for network elements
- Costs are incurred by BellSouth in conjunction with the provisioning of an order that has subsequently been cancelled

- BellSouth cancels a service order because the CLEC has not responded to a missed appointment notification or to a clarification within the specified time

Billing of cancellation charges to CLECs will be applied in accordance with the terms and provisions of each CLEC's respective agreement with BellSouth. Provisions for cancellation charges are generally contained in Attachment 6 of the BellSouth Standard Interconnection Agreement. Operations Support System (OSS) charges for orders that are cancelled will also apply.

Please contact your BellSouth account team representative with any questions.

Sincerely,
