**BellSouth Interconnection Services**

675 West Peachtree Street  
Atlanta, Georgia 30375

**Carrier Notification  
SN91082476**

Date: June 27, 2001  
To: Competitive Local Exchange Carriers (CLECs)  
Subject: CLECs – Local Exchange Navigation System (LENS) Users Guide Summary of Changes, Issue 9.4

This is to advise that BellSouth is clarifying the following Summary of Changes for the LENS Users Guide.

The current LENS Users Guide, Issue 9.4, will be re-issued to incorporate the following changes:

- **Secondary Location Address (SLA) Details**  
The S&E will now include the details for all SLA occurrences on complex accounts. Only SLA1 details were previously available.
- **Complex Account Customer Service Record (CSR) Sections**  
CSR Section options will now be mapped to the formal CSR Section names.
- **Credit Related Information**  
Credit related information will now appear in the Bill Section and will no longer require navigation to a separate page.
- **CSR Data Display Format**  
The CSR format will no longer require navigation by page number on accounts exceeding 54 pages. The page definition will be enhanced to better support an Online Display Format.
- **Equipment Revenue Summary on Complex Accounts**  
Equipment Revenue continues to appear on complex accounts but not in Summary form.

The updated statements are effective on July 27, 2001. It is recommended that a copy of this letter be placed in your company's current version of the LENS Users Guide until the changes are incorporated in the next update of the LENS Users Guide.

The current version of the LENS Users Guide can be found at the BellSouth Interconnection Services' Web site in the Customer Guides Section at:
