Subject: IXCs, CLECs - BellSouth Jurisdictional Factors Reporting Guide

This is to advise that the BellSouth Jurisdictional Factors Reporting Guide is now available and was posted to the BellSouth Interconnection Service's Web site on August 15, 2001. The document can be found at the BellSouth Interconnection Services' Web site in the Customer Guides Section at the following address:

<http://www.interconnection.bellsouth.com/guides/index.html>

This guide provides information concerning the preparation and application of jurisdictional factors. These factors are provided by IXCs, CLECs and BellSouth for billing purposes. Switched Access and Local Interconnection Services are prorated to the Intrastate, Interstate and Local jurisdictions per these factors for billing in accordance with the BellSouth Tariffs and Local Interconnection Agreements. These factors include the following:

- Percent Interstate Usage (PIU)
- Percent Local Usage (PLU)
- Percent Local Facility (PLF)

Other factors are also discussed in the guide concerning various access and transport services.

Please contact your BellSouth account team representative with any questions.

Sincerely,
