
BellSouth Interconnection Services

675 West Peachtree Street
Atlanta, Georgia 30375

Carrier Notification**SN91082500**

Date: July 13, 2001

To: Competitive Local Exchange Carriers (CLECs)

Subject: CLECs - Non-Circuit Specific Routing Troubles

This is to advise that effective September 1, 2001, BellSouth will transition non-circuit specific routing troubles from the BellSouth Customer Wholesale Interconnection Network Services (CWINS) Centers to the Local Interconnection Service Center (LISC). This transition will align trunk provisioning, maintenance and non-circuit specific routing troubles into a single point of contact within BellSouth.

The LISC will test, analyze and correct any non-circuit specific routing problems associated with local interconnection trunks ordered by the CLEC. The LISC may be contacted by dialing 1-800-482-1675 or 205-714-5390.

Please contact your BellSouth account team representative with any questions.

Sincerely,
