**Carrier Notification  
SN91082521**

Date: July 27, 2001

To: Payphone Services Providers (PSPs), Interexchange Carriers (IXCs), Independent Telephone Companies (ICOs) and Competitive Local Exchange Carriers (CLECs)

Subject: PSPs, IXCs, ICOs, CLECs - Louisiana Expanded Local Calling Area – Shreveport, Louisiana - Phase 1

This is to advise that due to action taken by the Louisiana Public Service Commission, effective September 10, 2001, the local calling areas for the communities of Blanchard, Doyline, Haughton, Haynesville, Homer, Mansfield, Minden, Mooringsport, Oil City and Shreveport, Louisiana, will be expanded to include one or more additional communities. These communities are in the Shreveport, Louisiana LATA – area code 318. The local calling areas of some of these communities will be further expanded on October 4, 2001.

Once the local calling areas for these communities are expanded, BellSouth customers with flat-rate service, including Resale and Pay Telephone Access Service (PTAS), will no longer be charged toll or usage charges for calls within these newly expanded local calling areas. Effective September 10, 2001, all calls within the newly expanded local calling area must be dialed on a seven-digit basis.

Additionally, the Shreveport Metropolitan Calling Plan, which provided unlimited calling between Blanchard, Oil City, Mooringsport and Shreveport, is being eliminated. Calls between these communities will become toll-free for customers with flat-rate service effective September 10, 2001.

Following is a chart listing the first three digits (NXXs) of the telephone numbers included in the expanded local calling areas for these communities. The names of the communities that are being added to a particular local calling area are indicated in bold italics. All numbers are in area code 318.
