**Carrier Notification
SN91082522**

Date: July 27, 2001

To: Payphone Services Providers (PSPs), Interexchange Carriers (IXCs), Independent Telephone Companies (ICOs) and Competitive Local Exchange Carriers (CLECs)

Subject: PSPs, IXCs, ICOs, CLECs - Louisiana Expanded Local Calling Area – St. Mary Parish, Louisiana – Phase 2

This is to advise that due to action taken by the Louisiana Public Service Commission, effective September 20, 2001, calls made over BellSouth facilities from Morgan City and Patterson, Louisiana, in area code 985 to Baldwin, Franklin, Centerville, Jeanerette and Weeks Island, Louisiana, in area code 337, will become toll free. These changes complete the local calling area expansion begun June 21, 2001, in West St. Mary and Iberia parishes that was announced in Carrier Notification Letter SN91082375 posted May 9, 2001.

When the local calling areas for these communities are expanded on September 20, 2001, BellSouth customers, including Resale and Pay Telephone Access Service (PTAS) customers, will no longer be charged toll charges for calls between these locations that cross the calling zone or LATA boundary. Effective September 20, 2001, local calls to numbers in a different area code must be dialed on a 10-digit basis (area code + seven-digit number).

Following is a chart listing the area code and the first three digits (NXXs) of the telephone numbers included in the expanded local calling areas for these communities. To place a local call to a number in a different area code, the caller must dial the area code plus the seven-digit number.

End user customers calling from:	Expanded local calling area includes telephone numbers beginning with:
