To: Payphone Services Providers (PSPs), Interexchange Carriers (IXCs), Independent Telephone Companies (ICOs) and Competitive Local Exchange Carriers (CLECs)

Subject: PSPs, IXCs, ICOs, CLECs - Louisiana Expanded Local Calling Area – South Louisiana

This is to advise that due to action taken by the Louisiana Public Service Commission, effective October 11, 2001, calls made over BellSouth facilities between Napoleonville and Donaldsonville, Louisiana, and calls made between Vacherie and Edgard, Louisiana, will become toll free. Donaldsonville and Vacherie are in area code 225; Napoleonville and Edgard are in area code 985.

Once the local calling areas for these communities are expanded, BellSouth customers, including Resale and Pay Telephone Access Service (PTAS) customers, will no longer be charged toll charges for calls between these locations, which are in different calling zones. Additionally, all calls between these communities must be dialed on a 10-digit basis (area code + seven-digit number).

Following is a chart listing the area code and the first three digits (NXXs) of the telephone numbers included in the expanded local calling areas for these communities. To place a local call to a number in a different area code, the caller must dial the area code plus the seven-digit number.
