**Carrier Notification
SN91082598**

Date: September 6, 2001

To: Payphone Services Providers (PSPs), Interexchange Carriers (IXCs), Independent Telephone Companies (ICOs) and Competitive Local Exchange Carriers (CLECs)

Subject: PSPs, IXCs, ICOs, and CLECs - Louisiana Expanded Local Calling Area – St. Bernard Telephone Exchange and Plaquemines Parish, Louisiana

This is to advise that due to action taken by the Louisiana Public Service Commission, effective November 8, 2001, calls made over BellSouth facilities between the St. Bernard Telephone Exchange and the Plaquemines Parish communities of Buras, Pointe-a-la-Hache, Port Sulphur and Venice, Louisiana will become toll free. The St. Bernard exchange is in area code 504; the Plaquemines Parish communities are in area code 985.

Once the local calling areas for these communities are expanded, BellSouth customers with flat-rate service, including Resale and Pay Telephone Access Service (PTAS), will no longer be charged toll or usage charges for calls within these newly expanded local calling areas. Effective November 8, 2001, local calls between the St. Bernard telephone exchange and the Plaquemines Parish communities of Buras, Pointe-a-la-Hache, Port Sulphur and Venice must be dialed on a 10-digit basis (area code + seven-digit number).

Following is a chart listing the area code and the first three digits (NXXs) of the telephone numbers included in the expanded local calling areas for these communities. To place a local call to a number in a different area code, the caller must dial the area code plus the seven-digit number.
