Date: September 27, 2001
To: Competitive Local Exchange Carriers (CLECs)
Subject: CLECs - Professional Training Services – New Online Registration Process

This is to announce a new online registration process for all instructor-led and Web-based training. This new process will enable your company to pay registration fees online with VISA or MasterCard and to view course descriptions, schedules and seat availability. Other enhancements are:

- Detailed confirmation sheets will be e-mailed immediately upon registering for an instructor-led course.
- Course History will provide the CLEC with a list of courses currently registered, dates courses completed and the scores received on pre and post tests.
- Pre and post tests and surveys will now be taken online in the classroom environment.
- Upon completion of the instructor-led course, a “Certificate of Completion” can be printed.
- Access to Online References is also available at:

<https://clecu.learn.net/>

If this is your company’s first visit online to register, it will be necessary to set up a user account. Once that is completed, your company will have access to the registration process.

Through Monday, October 15, 2001, registrations may continue to be faxed to (404) 927-4985. After that date, only online registrations will be accepted. Questions relating to this process can be directed to (888) 404-9899 or via e-mail to:

bellsouthics.training1@bridge.bellsouth.com.

Please contact your BellSouth account team representative with any questions.

Sincerely,
