Subject: CLECs – **REVISED** - Frame Relay, Megalink, Megalink Channel Service and Primary Rate Integrated Services Digital Network (ISDN) BellSouth Work Aids for Ordering Complex Services Converted to Web Forms (Originally posted on October 2, 2001)

This is to advise that the Frame Relay, Megalink, Megalink Channel Service and Primary Rate ISDN BellSouth Work Aids for ordering Complex Services will be converted from graphic images to Web forms. The forms consist of a package, which includes the Work Aid, Local Service Request (LSR) and End User forms. These changes, designed to enhance the CLEC ordering process, will be posted to the BellSouth Interconnection Services' Web site on October 12, 2001, located at the following address:

http://www.interconnection.bellsouth.com/forms/html/lec_form.html

Until such time as all of the BellSouth Work Aids for Ordering Complex Services are converted to Web forms, the graphic image forms will remain on the BellSouth Interconnection Services' Web site in the Customer Guides for the BellSouth Business Rules for Local Ordering (BBR-LO) located at the following address:
