Subject: CLECs – Discontinuance of Georgia Local Expanded Area Plan

Due to a Rate Center Consolidation Plan filed with and approved by the Georgia Public Service Commission, BellSouth discontinued the Georgia Local Expanded Area Plan for its end users on July 28, 2001. This is to advise that effective March 1, 2002, the Local Expanded Area Plan will also be discontinued for CLEC end users in Georgia.

As a result of the discontinuance of this plan on July 28, 2001, a credit for the monthly recurring charges associated with this plan will be reflected on the CLEC's bill beginning in the month of December 2001, for one (1) to three (3) Billing Periods. The credits will be retroactive to July 28, 2001. In addition, CLECs' bills will be zero rated until March 1, 2002, at which time the Local Expanded Area Plan will be discontinued.

The following Uniform Service Order Codes (USOCs) will be deleted:

- CCCLR
- CCCLB
- CCCLA

BellSouth offers several Optional Calling Plans that may be beneficial to your company's end-users. The local toll calling for end-users should be examined to determine if the available Optional Calling Plans will accommodate their calling needs.

Please contact your BellSouth account team representative with any questions.

Sincerely,
