Date: December 12, 2001

To: All Interconnection Services Customers

Subject: All Interconnection Services Customers – BellSouth Obsolete or Discontinued Services

In order to better serve customer needs and streamline its service offerings, BellSouth will discontinue or make obsolete less commonly used services and replace with more up-to-date services in the states as detailed in the table below. BellSouth tariff filings to change obsolete restrictions for certain residential calling services began in July 2001 and will continue into 2002. The table below indicates the actions to be applied to services in the following state:

State	Services	Action
FL	Low-Use Measured Service Message Rate Service Measured Service Combination Service (Unmeasured and measured) Pembroke Pines Optional Local Service	These services are currently grandfathered. However, they will be discontinued after February 2002.
GA	Georgia Community Calling (GCC)	GCC was grandfathered as of August 25, 2001.
KY	Obsolete Area Plus (AP) Obsolete AP with Complete Choice Area Calling Service (ACS) with Local Usage Detail (LUD)	These services are currently grandfathered. However, they will be discontinued after March 2002.
LA	Low-Use Measured Service Message Rate Service Measured Service	These services are currently grandfathered. However, they will be discontinued after February 2002.

Alternate services will be offered to BellSouth customers as a replacement for these services. For customers who currently subscribe to expanded calling plans, BellSouth also offers Optional Calling Plans that can help reduce local toll calling costs. The deadline for selecting alternate services is as following:

Louisiana	February 1, 2002
Florida	February 1, 2002
Kentucky	March 31, 2002

After that date, automatic conversion to alternate services most closely matching existing services will begin as shown in the table below. An incentive of one free month of access line service is available to customers in Louisiana until December 31, 2001, and customers in Kentucky until January 31, 2002,

State Available	Current Service	Automatic Alternate Service
FL, LA	Low-Use Measured Service	Flat Rate Service
FL, LA	Measured Service	Flat Rate Service
FL, LA	Message Rate Service	Flat Rate Service
FL	Combination Service (Unmeasured and measured)	Flat Rate Service
	Pembroke Pines Optional Local Service	Flat Rate Service
KY	Obsolete Area Plus	LATA-wide Area Plus
	Obsolete AP with Complete Choice	LATA-wide AP with Complete Choice
	ACS with LUD	ACS without LUD

This document will be updated as information is available for the remainder of the states.
