**Carrier Notification
SN91082789**

Date: March 5, 2002

To: Competitive Local Exchange Carriers (CLECs)

Subject: CLECs - **REVISED**: New Billing File Method of Delivery Option (Originally posted on December 31, 2001)

This is to advise that BellSouth will be unable to offer the new CLEC Method of Delivery option for electronic billing data described in Carrier Notification Letter SN91082789 posted on December 31, 2001. The implementation of the new Method of Delivery option has been delayed for various business reasons. Customers will be notified when this or any other new method of delivery for electronic billing data is available.

The existing Methods of Delivery are not impacted by this delay. Existing Methods of Delivery are CD Rom, FTP Push and CONNECT:Direct.

If your company is an Interconnection customer and you have questions regarding this notification, please contact the following Billing Administrators:

- JC Bledsoe (205) 321-4017
- Shelia Goodwin (205) 321-3217
- Paulette Miller (205) 321-4407

Sincerely,
