Subject: All BellSouth Interconnection Services Customers - Video Transport Services
Terms & Conditions Modifications

This is to advise that the BellSouth Access Services Tariff, FCC No. 1 offering for Video Transport Services will be modified effective December 29, 2001. The services included are:

Broadcast Quality Video,
Commercial Quality Video,
Uncompressed Switched Video,
70 MHz Transport and
DS3 Digital Video services

The modifications that will be made in this filing include:

- 1) Discontinuance of the daily rate option for Broadcast Quality Video and DS3 Digital Video Service;
- 2) Discontinuance of the Channel Service Payment Plan options for customers subscribing on or after the effective date of this tariff in Broadcast Quality Video, Commercial Quality Video, 70 MHz Transport, and DS3 Digital Video services;
- 3) Provisions added to Broadcast Quality Video, Commercial Quality Video, and DS3 Digital Video services for upgrading to Modular Video Transport service without incurring termination liability charges;
- 4) Discontinuance of upgrade provisions from an analog video service to DS3 Digital Video Service;
- 5) Text change in Commercial Quality Video: deleted a reference to daily rates, which was discontinued in 1999;
- 6) Text change in Uncompressed Switched Video: corrected the name of the service; and
- 7) Text change in 70 MHz Transport: corrected grammar.

Please contact your BellSouth account team representative with any questions.

Sincerely,
