**Carrier Notification
SN91082827**

Date: January 15, 2002

To: Interexchange Carriers (IXCs), Enhanced Service Providers (ESPs), and Toll Resellers

Subject: BellSouth Customer Account Record Exchange (CARE) Notification for Numbering Plan Area (NPA) Splits

BellSouth will implement a NPA split the weekend of February 8, 2002. This split will be accomplished through a flash cut database conversion in the following area:

Florida NPA 561 to NPA 772

Attachment 1 is a detailed schedule, which will be used by CARE to accomplish this conversion. All end user accounts within the NXX list shown on Attachment 2 of this letter will move to the new NPA area indicated above. Since a flash cut database method will be used, the CARE system will not provide notification on an individual line basis to the IXC of record for InterLATA/IntraLATA usage recording. Each IXC will be expected to convert the affected accounts within their own databases using Attachment 2. To ensure the latest update of all NXXs involved, we recommend that you also cross check this list with the Local Exchange Routing Guide (LERG).

As clarification, please note that CARE does not participate in a permissive dialing period. This conversion is designed to be a flash cut of all CARE processes and will not have a grace period for old to new NPA submission.

If you have questions concerning this letter, please contact your account team representative, the Equal Access Service Center at 1-800-456-9127, or Shirley Loewen, BellSouth CARE Manager at (205) 714-5124.

Sincerely,
