Subject: BellSouth Fast Packet Access Services Customers – Packet Services Web site Enhancement

BellSouth is pleased to announce an enhancement to the BellSouth Interconnection Services' Web site for the BellSouth Fast Packet services report. Real-time reports are now offered regarding outages within the BellSouth Fast Packet services network. The report can be viewed at the BellSouth Interconnection Services' Web site in the Products & Services/ATM and Frame Relay Section and then click on "Network Outages- BONS."
