Carrier Notification**SN91082926**

Date: March 8, 2002

To: Competitive Local Exchange Carriers (CLECs)

Subject: CLECs - Carrier Access Billing System (CABS) Unbundled Network Elements (UNE) CD-ROM Processing

This is to advise that on March 11, 2002, BellSouth will modify the CABS UNEs CD-ROM process. BellSouth will now be sending a CD-ROM for a given billing period as each site becomes available instead of sending a regional CD-ROM. Your company may receive multiple CD-ROMs for a given billing period, dependent upon the time the billing cycle runs.

This change is to ensure that the CLECs receive bills as soon as possible.

Please contact your BellSouth Local Contract Manager with any questions.

Sincerely,
