Date: May 21, 2002

To: Competitive Local Exchange Carriers (CLECs)

Subject: CLECs - Request for Forecasts for Collocation at BellSouth Premises

BellSouth is implementing a forecast process that will be used to better meet your company's needs for collocation with BellSouth. In order for the project to be successful in refining the provisioning at all BellSouth premises, this notification is to request that your company provide forecasts for collocation at BellSouth premises through the end of 2003. Your company's forecast should optimize prompt delivery of products and services by enhancing network planning and operational efficiency. Please complete the attached form and e-mail it by no later than 30 calendar days from the date of this letter to your BellSouth Account Team Collocation Coordinator (ATCC) at:

cis.collo@bellsouth.com

BellSouth understands that developing a detailed forecast can be a challenging task, however, experience shows that the more detailed and accurate the information provided in advance is, the better prepared everyone will be. BellSouth is committed to continuously improving the delivery of products and services to CLECs and preparing for their long-term needs.

Carrier specific information will receive confidential treatment as described in the Interconnection Agreements, Statements of Generally Available Terms (SGAT) and BellSouth Tariffs.

If you have questions, please contact your BellSouth ATCC.

Sincerely,
