Subject: CLECs – **REVISION to 91083054**: Resold BellSouth Private Line Services and Services from the BellSouth General Subscriber Services Tariff Terminating to an Independent Company (ICO) or to a CLEC (originally posted on May 23, 2002)

This is to advise that effective June 1, 2002, CLECs began to receive bills from ICOs or other CLECs where resold BellSouth Private Line Services and services from BellSouth's General Subscriber Services tariff terminated in ICO territory or to a CLEC. CLECs are responsible for establishing a billing relationship with the ICO or CLEC.

If a CLEC gains an end user from BellSouth where BellSouth had jointly-provided service with an ICO and the service terminates in the ICO territory or to a CLEC, the terms and conditions of the applicable BellSouth tariffs will apply for services provided within the BellSouth service area only. The other portion of the service will be provisioned and billed by the ICO or other CLEC directly to the initiating CLEC.

**When submitting a Resale order for BellSouth Private Line Services and services from BellSouth's General Subscriber Services tariff that will terminate in an ICO territory or to a CLEC, the order may no longer be submitted as "Switch as is" in the states listed below.
