**Carrier Notification****SN91083135**

Date: June 14, 2002

To: Competitive Local Exchange Carriers (CLECs)

Subject: CLECs - Updates to Terminology in CLEC Information Packages  
Representing Combinations of Dedicated Transport

This is to advise that BellSouth has revised the terminology associated with combinations of Dedicated Transport in its standard agreement published during the second quarter 2002. Further, the BellSouth CLEC Information documents located at the BellSouth Interconnection Services' Web site will be revised to reflect the changes in terminology.

Effective June 24, 2002, the documents listed below are considered obsolete and will be deleted.

- BellSouth Unbundled Dedicated Transport – Enhanced Extended Links (EEL)
- BellSouth Unbundled Dedicated Transport - Non-Switched Combinations

The following documents will be added:

- New Density Zone 1 EELs
- Currently Combined Unbundled Network Elements (UNE) Combinations
- New Ordinarily Combined UNE Combinations

Please note that the revised documentation represents essentially a rearrangement of the same information as contained in the present documents. There are no other substantive changes. These documents can be found at the BellSouth Interconnection Services' Web site located at:

<http://www.interconnection.bellsouth.com/products/unes.html>

If you have any questions, please contact your BellSouth Local Support Manager.

Sincerely,

**ORIGINAL SIGNED BY JIM BRINKLEY**
