Subject: D/CLECs - Announcement of Free Informational Seminar for Loop Pre-
Qualification

BellSouth is pleased to announce that on **Tuesday, July 9, 2002**, it will conduct a **free informational seminar** addressing the use of BellSouth's pre-qualification tools. These tools include loop makeup (LMU) and the loop qualification system (LQS). Such tools are utilized to provide D/CLEC customers with the knowledge regarding the submission of and interpretations of these pre-order inquiries as it pertains to the D/CLEC's order placement of facilities for digital subscriber lines (DSL) and line sharing.

This informational seminar is appropriate for D/CLEC employees with the technical expertise to either submit and/or review the requests for LMU or LQS. This seminar will provide very specific and technical information and will be presented for an audience already versed in order submission for xDSL services.

The July 9, 2002 seminar will be held at the BellSouth Center in Atlanta, Georgia located at 675 West Peachtree Street NE. Room 519. For those attendees scheduling flights through Hartsfield International Airport, the BellSouth Center is directly accessible via the *MARTA* rail system, which is available at the airport. Either the "Doraville" or "North Springs" line drops off passengers in the basement of the BellSouth Center at the North Avenue [N3] station. A BellSouth employee will be in the main red lobby of the BellSouth Center to assist attendees with sign-in and escorting into the center for the seminar.

The seminar will begin at 11:00 AM EDT, will be conducted over a working lunch, and will conclude by 3:00 PM EDT. Attendees will be responsible for their own lunches.

Attached is a Reservation Form with all the required information. Please submit your company's reservation no later than NOON EDT, July 3, 2002, by providing the name of your company, a contact name, a contact phone number, the number of participants in your party, and the name(s) and title(s) of those attending.

If you have any questions, please contact your BellSouth Local Support Manager.

Sincerely,
