Carrier Notification**SN91083328**

Date: December 3, 2002

To: Competitive Local Exchange Carriers (CLECs)

Subject: CLECs – **REVISED:** – BellSouth Business Rules for Local Ordering (BBR-LO) Line Number Activity (LNA) of T for REQ TYP “E” and “M” Non-complex Services (originally posted on September 20, 2002, and revised on September 27 **and November 14, 2002**)

This is to advise that the Required/Conditional/Optional (R/C/O) tables and Data Dictionary business rules for LNA of T for REQ TYP “E” and “M” non complex services were inadvertently omitted from the BellSouth Business Rules for Local Ordering (BBR-LO) 11.0 Release Related Document (RRD) posted to the BellSouth Interconnection Services’ Web site August 30, 2002. As added information, the business rules are associated with Change Request CR0228.

The attached copies of the R/C/O tables and Data Dictionary pages will be posted with an update to the BBR-LO 11.0 document on December 30, 2002, with implementation of ENCORE Release 11.0 scheduled for December 29, 2002.
