To: Wireless Service Providers (WSPs)

Subject: WSPs – Update to the BellSouth Wireless Service Request (WSR) Forms

This is to advise that the BellSouth WSR Forms and online instructions will be updated for your company's use on November 1, 2002. These forms have been updated to include more information to ensure accurate issuance of a customer request for service. This will include any new, change or add order on the following services:

- Prem to Prem Megalink
- Megalink DS1 with Trunks
- Commercial Mobile Radio Service (CMRS) Type 1 Trunks and Numbers
- CMRS Local Loop Trunks and Numbers (formally known as BellSouth CMRS Local Loop)
- CMRS Type 2A Multi Frequency (MF) signaling, 2A Signaling System 7 (SS7), 2B MF and 2B SS7 (This combines Type 2A Trunks and Numbers and Type 2SS7 and numbers.)

Your company may continue to use the old WSR forms until January 1, 2003. After that date, only the new Wireless Forms will be accepted. These forms can be found at the BellSouth Interconnection Services' Web site located at:

http://www.interconnection.bellsouth.com/forms/wireless/html/wir_frm.html

Please contact your BellSouth Account Team Representative with any questions.

Sincerely,

ORIGINAL SIGNED BY PAT FINLEN FOR JERRY HENDRIX

Jerry Hendrix – Assistant Vice President
