Subject: CLECs - Duplex Printing of Unbundled Network Element (UNE) Bill

This is to advise that effective November 4, 2002, revisions will be made to the UNE paper bill format. BellSouth will implement duplex printing, which will result in bill details being printed on both sides of the paper bill. The format of the bill detail information itself will not be impacted by this change.

If you have any questions, please contact your BellSouth Billing Administrator. The BellSouth Billing Administrator contact list can be found in the CLEC Billing Guide at:
