Subject: All BellSouth Interconnection Services' Customers - Network Visibility Service
(NVS) Tariff Filing

This is to advise that the BellSouth offering for Network Visibility Service (NVS) in Section 21.6 of the BellSouth Access Services Tariff FCC No. 1 will become effective November 22, 2002.

BellSouth NVS is a tool that provides customers a view into the BellSouth Fast Packet network to monitor fault and performance information on network services purchased from BellSouth.

If you have questions, please contact your BellSouth Account Team Representative.

Sincerely,
