**Carrier Notification  
SN91083536**

Date: January 17, 2003

To: Competitive Local Exchange Carriers (CLECs)

Subject: CLECs – BellSouth Business Rules for Local Ordering (BBR-LO) - Update to the Listed Name Placement (LNPL) Field in the Listing Instruction Section Fields in the Directory Listing Chapter (Data Element Dictionary)

This is to advise that the LNPL field information indicating the VALID ENTRIES for this field is incomplete. The entry of “L” is valid for manual ordering, while the entry of “Y” is valid for electronic ordering. The EXAMPLE and BUSINESS RULES are being updated to reflect these two valid entries for the LNPL field.

Please refer to the attachment to this letter for these changes, which will be included in the BBR-LO scheduled to be posted to the BellSouth Interconnection Services' Web site on March 31, 2003.

A summary of all changes within the document will be listed in the **Revision History Section**. This update can be found at the BellSouth Interconnection Services' Web site in the Customer Guides Section located at:

Please contact your BellSouth Local Support Manager with any questions.

Sincerely,
