Carrier Notification**SN91083580**

Date: March 4, 2003

To: Competitive Local Exchange Carriers (CLECs), Independent Telephone Companies (ICOs), Payphone Service Providers (PSPs), and Wireless Service Providers (WSPs)

Subject: CLECs, ICOs, and WSPs - Corporate NXXs 557 and 780 to be Vacated

This is to advise that, pursuant to an agreement with the Florida Public Service Commission (PSC), BellSouth will be migrating from corporate use of the 557 and 780 NXXs in the BellSouth nine-state region. Instead, BellSouth will use regional Toll Free Service (TFS) 8XX numbers. This conversion to 8XX numbers became effective on February 28, 2003, for the state of Florida, with other states to follow throughout the year.

The 780 and/or 557 NXXs and the new 8XX numbers can both be used for a period of time. However, after the period of dual service ends on February 3, 2004, CLECs, ICOs, WSPs and their end users will be able to contact BellSouth using the "outside of BellSouth" 8XX number currently printed in the Customer Guide section of the BellSouth telephone directories. A list of these contact numbers is attached.

Please contact your BellSouth Local Contract Manager with any questions.

Sincerely,
