Subject: CLECs – Update to the Geographically Deaveraged Unbundled Network Elements (UNE)
Rate Zones in South Carolina

This is to advise that, effective May 1, 2003, updates will be made to the list of wire centers assigned to each UNE rate zone in South Carolina. Pursuant to the South Carolina Public Service Commission's Order, issued in Docket No. 2001-65-C, the Commission determined that each wire center would be mapped to a UNE zone based on the retail rate group to which that wire center is assigned. Several wire centers have undergone reassignment to a different retail rate group, and these changes affect the UNE zone mapping.

Listed below are the affected wire centers by their Common Language Location Identifications (CLLI), the UNE zone to which the wire center was initially assigned, and the UNE zone to which the wire center is now assigned as a result of the change in retail rate group assignments.

STATE	CLLI	INITIAL ZONE ASSIGNMENT	ZONE ASSIGNMENT MAY 1, 2003
