**Carrier Notification
SN91083689**

Date: May 5, 2003

To: Competitive Local Exchange Carriers (CLECs)

Subject: CLECs - Acceptance of Letter of Authorization for Unbundled Network Elements (UNE) Transport and updates to the Critical Fields Table

Effective the date of this letter, BellSouth will accept a Letter of Authorization (LOA) that authorizes BellSouth to connect a CLEC's ordered UNE Transport to another CLEC's collocation arrangement or high-level transport. The LOA form and restrictions will be included within the documents listed below.

- BellSouth Unbundled Dedicated Transport – Ordinarily Combined UNE Combinations CLEC Information Package (Version 11)
- BellSouth Unbundled Dedicated Transport – Standalone UNEs CLEC Information Package (Version 9)

Also, the Critical Fields Table in each document will be rearranged to better communicate the required codes for different configurations. In addition, multiplexing, as an option, has been added to the Critical Fields Table of the Standalone UNE CLEC Information Package.

These documents will be posted by May 9, 2003, to the BellSouth Interconnection Services' Web site located at the following address:
