**Carrier Notification  
SN91083728**

Date: September 18, 2003

To: Competitive Local Exchange Carriers (CLEC)

Subject: CLECs – **REVISED** – Unbundled Network Element Port/Loop Combination (UNE-P) to UNE-Loop (UNE-L) Bulk Migration Interim Manual Process CLEC Information Package (Originally Posted June 5, 2003).

This is to advise that effective September 22, 2003, the UNE-P to UNE-L Bulk Migration Interim Manual Process CLEC Information Package will be removed from the BellSouth Interconnection Services Web site. The Interim Manual Process was reinstated on June 5, 2003, due to Bulk Migration requests being submitted with an alphanumeric Operating Company Number (OCN) rather than an all-numeric OCN. The alphanumeric OCNs caused electronic Bulk Migration requests to error out for clarification. Since there is no longer an issue with submitting Bulk Migration requests electronically using alphanumeric OCNs, the Bulk Migration Interim Manual Process CLEC Information Package is being removed.

Please refer to the UNE-P to UNE-L Bulk Migration Process CLEC Information Package, Version 1, dated March 28, 2003, for information regarding UNE-P to UNE-L Bulk Migration.

The CLEC Information Package can be found on the BellSouth Interconnection Services' Web site at:

Please contact your BellSouth Local Support Manager with any questions.
